We have moved the Club Meeting!
February meeting will be at the North Bayside Grange Hall. Head North out of North Bend over the bridge. At the traffic light turn RIGHT and travel about 1/2 mile. Building on LEFT in front of Fire Station.

Club Members,

NOTE: The Club Meetings is now at the North Bayside Grange Hall! Travel North (101) out of North Bend over the Bridge. At the Traffic Light turn RIGHT and proceed about 1/2 mile. The Grange Building is on the LEFT in front of the Fire Hall. If you pass the Glasgow Store you have gone too far! Should you have any problems my Cell Phone is 541-808-4473. Call Me!

Our first meeting at the North Bend Grange Hall come off without a hitch! I think everyone that attended liked it. We welcomed five guests and had an interesting meeting.

Yvonne and I are having problems finding businesses for the Out Door Show. Not sure how this is going to work out. If we fail to confirm enough vendors by the first of March it will be nearly impossible to ensure adequate notice and advertising. If you have any ideas, please feel free to bring it up at the next meeting.

We will also be needing volunteers to cover positions and set-up / take-down. We will have clip boards for sign up at the March meeting if the Show goes on!

Don't forget to renew your 600 &

700 Permits! As of this time 2014 Regulations are being applied to cover 2015. If you are only Panning or running a sluice box you need just a 600PM. If you are going to be motorized then you need the 700PM. Jerry give a very fine report as to the regulations for 2015 along with information on 600pm and 700pm permits.

Note the **SECHEDULE** on page 2. I know there are a few TBD's and if you have an idea how to fill these in please bring it up at the meetings! Otherwise Jerry and I have to scratch our heads and plan something.

Note: Club dues will still be collected at the February Meeting. Please fill-out the New Membership Application! The reason for the application is twofold. One it aids in ensuring that I have the address's correct for mailings and email. And second it provides for an accurate membership count. Everyone will be receiving a New Membership Badge for 2015. Be sure to have this Badge while on any of our Claims. This is to help us ensure that only members are mining our claims.

There is going to be a lot of work needed accomplished before the Out Door Show.

Vendors are going to be our biggest problem. If we don't have enough vendors, we need not even consider doing the Out Door Show. At this time we only have 6 prospective vendors, with no confirmations. We need at least twenty (20) to make the show interesting for the public.

Interested vendors so far are:

- 1: Marv's Gold from Around the World
- 2: Oregon Prospecting
- 3: Honda World ATV
- 4: Get Wet Scuba
- 5: Betty Kay Charters
- 6 Bob & Forest

We must have the vendors signed up before March 1st! This will then allow us to work on advertising and promotion of the Out Door Show.

Whiskey Run Outing was very wet and windy! It was warm for a change which was nice. We found a little Gold and very little black sand. Seems the storms have scrubbed the Beaches, but it doesn't mean that a New Storm won't change that.
