## February

My Fellow Members!

Well it seems that the day outing to Barbara Mary was a little WET and WHITE! Got there Thursday afternoon and was going to camp. On the way in we were setting signs and watching it rain. By the time we reached the turnoff to the claim it was starting to snow. Needless to say that we got to the claim, spent an hour getting the camp trailer turned around and back down the mountain. Collected the signs and returned to Roseburg Fair Grounds where we rested and visited the Outdoor Show. Anyway we should start to see better weather. Sorry Rob Ebbert about not contacting you.

Don't forget that May 14th is the Youth Hunters Association Day where we will be teaching Prospecting and Gold Panning to over 200 hundred kids. It's really a great time! Dennis stopped by Armadillo Mining in Grants Pass and they will be helping with gifts and supplies for the kids.

Brenda Long will be giving us a report as to the possibility of our having a Gold Show. If this is to happen it will have to be an all out effort from the club. Seems that November is a fairly free month as long as we avoid Thanks Giving.

This is the last month for paying your dues. If you need more time please contact Yvonne or myself. We can work something out.

Sorry about no Pictures! But, you can guess with no outings and so forth.

Okay! So we all know that the Government is Totally Corrupt from Top to Bottom! State Government is even worse! Totally out of control, no respect for the law! So what do we do? Well to start with we vote! I don't care how or who you vote for. But I will say this. If you vote for an incumbent, then you too are part of the problem. Time to clean house! Top to Bottom and Side to Side!

Please think about this before the meeting. We have an outing at M&M in April and will need Gold for the kids in May. This would be strictly voluntary of course. It's been suggested to me that all the gold found at M&M during the outing, be used to supplement what we have to buy. We are looking to purchase an ounce of gold to ensure we have enough.

You may have guessed that I'm having problems filling out the News Letter. So for once I am stopping short.
