February

Club Members:

You will note that the News Letter Format has changed a little bit. I've done this because I was having problems with the old one. Hope that you like it. This will be a work in progress as the year goes on.

We had a Wonderful Outing at Neiska Beach. Some twenty members were there for the day. I'm sure that Gold was found by many. The sun was out all day and the wind didn't start strong until the tide changed.

I realize some people don't care for the smell of the Grange Hall. We will get to work on this problem. Moving the Club again is not an option, both cost and facilities are difficult to deal with. One thing that would help is if we as a Club could help the Grange put a New Roof on the Building. The Grange says they have some money set aside for it. But that all the bids are far to high. If anyone knows a Contractor who is willing to do the job at a reduced price it would sure help. This is an Old Building and all effort should be made to save it.

We are now signed up for the Roseburg Outdoor Show. Jerry, Peggy, Yvonne and I will be going over on Thursday March 19th to setup for the show. Show Times are Friday 20th-12PM to 7PM, Saturday 21st-10AM to 5PM and Sunday 22nd-10AM to 4PM. We need to be broke down and out of the building by 7PM Sunday.

NOTE!

ALL REGULAR MEETINGS WILL NOW BE AT THE NORTH BAY SIDE GRANGE HALL

Remember! For attending club outings Credits are received which enter you into the Drawings for Gold & Prizes at the Christmas Party! Extra Credits may also be earned by working for the Club at Special Events.

Door Prizewinners of 1/10th gr gold went to Brenda Long, Visitor Jay Marcotte

Gold necklace went to Frank

1/2gr gold went to Nick Maness

To the gentleman who brought me a list of items for sale. I must apologize here because it seems that I have miss placed / lost the list. I hope that you will provide me with a NEW LIST at the next meeting.

It would seem that the State Legislators, DEQ, EPA, ODF&W, Fish & Wild Life along with our NEW Governor are driving ahead to spot all mining activities within the State. A lot of Bills that have failed in the past have once again been introduced along with a whole new bunch. On top of these bills are a few hundred new restrictions, rules and regulations being adapted by Bureaucrats without the oversight of the people.

Your President: Christopher Long
