Club Members:

Please note the Meeting Date! Regular Meeting is May 7th this month. Normal Time and Place.

Note also the Change for the Board Meeting. Meeting will be May 5th @ 6:30 pm at Peggy and Jerry's House.

I don't know how many have heard about what is going on down at Grant Pass. The Minute Men have been called in by a couple of miners to protect and provide security of their mines. It seems that BLM is at it again trying to take and destroy people's property duly claimed and filed. I'm sure Theo will have more to add at the meeting about this. Haven't heard a lot in the News about this.

State Government is going ahead full force to take away Constitutional Rights of the People. Some 15 plus anti-gun bills, bills restricting speech against elected officials, bills about tracking your driving to add mileage tax. These are just a few they are working on. Remember if you call our State Reps. Be polite and to the point.

DEQ, EPA, Oregon Forestry, ODF&W, US Forestry and the list goes on are all writing more and more restrictive rules and regulations.

I haven't managed to do anything about the sale of the Trammel. I may need some help with this. At the moment the water pump is frozen and needs to be repaired.

The Outing at M&M was a Great Time. Seems the boys figured out how to dig holes real quick and I think they even managed to find some gold.

Steve Tucker Appliance is wanting to set up a prospecting booth set up for GAY 90'S in Coquille first weekend in June Dennis is in charge.

Theo has the floor, HB 3218 Summery, Imposes a property tax on mining claims, a tax for those that produce power by wind or solar. Please contact Theo on this Bill. Basically a tax for mining claims.

Also talked more about the MMAC. Jefferson Mining District is against this group too.

Thank you for your help: Frank, Marvin, Brenda, BJ, Kevin, Randy and Fritz.

They did some fine work around M&M clearing a New Camping Spot. Cleaning out part of the stream.

Jerry has made mention that he is getting very few Mining Claim Work Sheets. If you go to a claim please do the work sheet! Even for an Outing it is important that we maintain a record of work! I suspect that reporting details are going to change and we will be required to show some kind of proof. If this happens you can guess what kind of mess it will be.

Our first Over Night outing is this month. Island Park located on Cow Creek. About 9 1/2 miles west of Riddle. It's a great place for tent or camper. Note that we have 3 claims in the area and if you wish to use them and aren't sure where they are. Jerry or I can show you. With all the water action we've had this year good gold could be found.

Chris L.
