NOTICE: THE CLUB IS MOVING
MEETING LOCATION!
APRIL MEETING WILL BE AT
THE PONY VILLAGE MALL!

OMG! WOW! What a month April turned out to be! Going from a full blown Widow Makers to club outing! First off I would wish to thank everyone for their thoughts and prayers while I was in the Hospital. The Paramedics with the Ambulance Service and the Surgical Team at North Bay Side Hospital did save my life. We have a New Cardiac Surgical Team and I was truly lucky. We often complain about serve, but let's look at the hours required from just one team. I used up a good hour plus, before they had me stable and under control. We had one team about three months ago and it had been that way for a long time. Just while I was there they had 4 more on Saturday, 3 on Sunday and 4 on Monday. Far more than one man and one team could handle.

Jerry something fun. Has anyone seen a notice of location about how to read or file a notice of location.

Teri Grier: SB3 – it went through the senate will hand carry our letters to our leaders of district 9 and will make sure they get to the appropriate places.

There is a measure on the ballet for May and is funded by the Heinz Foundation that has designed a measure that will dismantle our local government and can cost our local governments extra money. This would stop energy from coming in or out of Coos County as well as other items including hunting. This is a very same situation as the Save the Eliot Forest Campaign. There is a meeting on Saturday with a couple of the commissioners and some others. There is a fundraiser for Republican girls Scholarship there is a dinner on May 6th.

NOTE!: MAY 6th! We will be teaching panning and prospecting at the Myrtle Point, Gun Club. Located 1 mile east on Sitkum Lane. We have very limited resources this year. Still need volunteers to make the kids day. Weather is supposed to be getting better. Not that we don't need every drop of rain, but we have had a little extra this year. Reminds me of growing up here in the late 50's and 60's. Never seemed to stop raining! But it did! We have been moved to the Store just south of Cone 9. Seems the mall has rented the space! Good for them! Hope everyone will support the Mall as we continue to enjoy their favor. Our next overnight outing is Squawfish! Even though camping space is limited, should be plenty of room on the claim as Burketts and Us will be staying down below.

Donna Cook has fresh eggs for sale! She asks that you provide egg cartons. 541-297-8678

.Happy April Birthday's!!!
