My fellow MINERS! Just wish to let you all know that you really missed a wild month of mining! OMG! Jerry, Friends and I ripped up Squawfish for a second time! Sorry to report we didn't find a lot of color! I can't believe that it isn't there! We are just going to have to dig deep to find it. How much effort and money we wish to put into this mine is up to you.

As you may have heard SB3 was passed with the aid of 2 Republicans and is now setting on the Governor's Desk. However, she need not sign any Bill as it will become law by default. SB3 stops all motorized mining for **EVER!** However there are petitions to recall the Governor and many of the State Legislators. Also several petitions to repeal much of the laws passed this year by the Legislators. Because many of the **BILLS** passed all have the **"EMERGANCY CLAUSE"** the petitions require gross amounts of signatures, plus they have to gathered within a period of 60 to 90 days. Once more I have to THANK Jim and Dianne for letting us play at Bedrock!

**September 22, 23rd: Overnight Rogue River Foster Bar**

**October 12th: Meeting 7PM**

**October 21st: Outing TBD**

**November 9th: Board Meeting 6PM**

**November 9th: Meeting 7PM**

**December 3rd: Christmas Party**

Everyone who wanted to find gold did so at Bedrock! WOW! Did we have fun! A lot of rock and material was moved. Will not go into the specifics as how this was accomplished, but I assure you we had lots of fun. The weather was great also.

As a member of the Veterans of Foreign Wars Lee Ray Post #2928 we are finishing up at the Coos County Fair. I have to report that I am extremely disappointed with the fair. Attendance is poor and I can understand why! Prices are out of control. Vendors and everyone wishing to participate paid dearly. I guess because I was raised here in Coos County I remember the good times at the fair.

**Okay we will be having a Board Meeting this month.** So please give us a few minutes before the Regular Meeting. This is a very important meeting as we will be nominating next year's Officers. Yes, I am still hopeful someone can step up and assume the duties of President and Vice President. All Officers need to have Computer Skills now days in order to meet the needs of the Club. The President and Vice President basically have to attend every meeting and outing. As a Club we aren't really hurting at this time for funds, but we are saving just in case we locate a New Claim in the future.

Really wish I had some picture for this News Letter, however as you can see they are missing!
