As some of you may have heard. I will not be excepting the Nomination for President. Three terms is far more than a person should have to do. I know a lot of people have stepped up saying they are willing to help, but feel they just can't do the job. I didn't take on this job as a career. I now understand what Bob was saying. We have a lot of great members and it's time that they step-up and do their part. Many of you are failing to attend any of our outings, including simple day outings. Why I'm not sure.

Okay! The Christmas Party is on! The Ladies of the Green Acres Grange will be hosting the event. At this time they are planning on 60 plus. So to ensure that everyone who will be attending attends, we will be selling tickets. The tickets will be just \$5.00 per person, children not exempt. But, here is the neat part! When you arrive at the Christmas Party with ticket in hand we will give you your \$5.00 back! Isn't that cool!
